The Foreign Service List, beginning with the January 1, 1949, issue, no longer contains the classification section of Foreign Service officers, Foreign Service Reserve officers, and Foreign Service Staff officers. This information is published annually in a separate publication dated July 1.

The January issues of the List include the sections showing the posts of assignment, retirements in the Foreign Service, the consular districts, the tariff of Foreign Service fees, the index of persons, and the geographic index.

The April, July, and October issues include only the posts of assignment and the two indexes.

Only those actions received in the Division of Publications prior to the fifteenth of the month preceding the month in which this List is dated are included. This List is compiled and edited by the General Editing Branch, Division of Publications. Please report to that Branch any necessary corrections.
